## BREAKFAST CLUB

---

We operate a free breakfast club where the children can have breakfast and play with their friends. Children can attend at any time from 8.25am, although the latest time for admission is 8.40am. There is also the opportunity for children to attend from 8.00 a.m. if parents need extended childcare. This is available for a daily fee of £1 paid a week in advance. This can be paid via an internet payment - details to follow. The children are taken to class ready for registration at 9.00am.

The children are offered a healthy breakfast - cereal, toast, fruit and juice. To attend children must have their breakfast in the club.

We do have just a few rules:

- Entry to the car park is **not permitted** due to health and safety concerns - please leave your car in a nearby road.
- We would be grateful if all parents could sign in their child on the appropriate register at the door. Staff will greet the children and take them into breakfast club, so a positive handover at the door helps them settle in much quicker and ensures the health and safety of all of the children. Parents will not be admitted as this is a very busy period and the safety of the pupils is paramount.
- Staff are on hand to help children choose their breakfast and take it to the table. We would ask that parents leave their children with us after signing them in and do not linger, as this prevents other parents dropping off their child safely.

If you would like your child to attend, please fill in the enclosed registration form and return it to school. There is no need to pre-book, just turn up and sign your child/children in.
