Privacy Notice

As a school we need to collect personal data about your child. We will use this data to provide appropriate care for your child and to contact you if needed. We will not use the data for marketing. If we need to collect information from you for any other purpose we will notify you.

We also take photographs of your child during their time at our school. These photographs will be used to document and celebrate their achievements. These may be published on our associated school website, seesaw and twitter accounts. A consent form on how our school uses photographs is distributed to all service users. A copy of the setting's privacy policy is available on request.

Section 3: Consent

Whilst attending the club your child will be expected to behave in a manner acceptable to the staff and other children. Any child who consistently misbehaves over a period of time may be refused a place. Parents will be informed of instances of unacceptable/challenging behaviour so that they can make appropriate provision. No child will lose their place without consultations with the child and parents/carers concerned.

I understand that the data which I have submitted to the school will only be used for legitimate business interests. I understand I have a duty to inform the school when this personal data changes.

I understand that in order for my child to attend they need to arrive at the club by 8:40 am and children arriving after this time will not be admitted.
