## Comments and Ideas

### Class: Dosbarth Lafant

- Jaxon 'We need to be quiet so we don't scare the birds, if you're loud you need to say sorry'.
- Miss Dale ' We need to take allergies into account - nuts'.

### Class: Dosbarth Eirlys

- We also need bird baths and someone to clean them and fill them.
- We need binoculars.

### Class: Dosbarth Ceian

- We could plant trees for birds to nest in.

### Class: Dosbarth Eithin

- To raise the money we could make biscuits, pay to watch a football match, run a class fair that the children run.

### Class: Dosbarth Blodyn Haul

- I would like more equipment on the school yard to enhance playtimes. I would create a timetable and manage it by collecting equipment and carrying out an audit to see whether we have enough for both year groups. Also, football should be timetabled.
- I would like to run a sports club for Yr 3 and 4
- I'm interested in setting up a litter picking timetable to ensure the ground and tidy.
- We are interested in solar panels for our school. Rhys's Dad installs them and we think it would benefit our school

- We liked all of the options and thought they were all achievable
- Set up a little secret camera to observe the birds in their natural habitat, then we can study and draw them.

### Class: Dosbarth Blodyn Menyn

- We would like to develop an area which would be a 'bird zone' with all of the choices of the vote.
